Jim (WE7JIM)	Masen (KF7HVM)	Ralph (N2RJR)	Rick (WA7NWN)
Steve (KN7SLR)	Mike (KI7MPV)		

Call to Order: 1900

### Officers Report

- *President:* Butch (AE7KJ) None
- *Vice Pres:* Rick (WA7NWN) None
- *Secretary:* Jeff (KJ6ETR) None
- *Treasurer:* Ralph (N2RJR) Had to pay for an installation at the new 911 center.
- *Trustee:* Butch (AE7KJ) None

### Old Business

Approved the May minutes.

Butch had until May 20<sup>th</sup> to get all the tee-shirt sizes in to the Tour-de-Blast folks.

Earl has the Tour-de-Blast radios in the shop.

Steve (K7SH) will be out of town until June 14<sup>th</sup>, so he won't be available to climb the tower the Rainier site until after that date. Butch expects to pick up the repeater and take it over the site Sunday (5<sup>th</sup>). Ralph has the two fittings that Kevin was waiting for. The 220 repeater frequency is 224.660.

Ralph has the 7300 radio, it's ready for the CommVan. Butch has removed the old radio and tuner.

Butch would like to get back to in house meetings. Maybe shorten the meetings and have training after the meeting. Probably keep Zoom meetings concurrent.

### New Business

Butch discussed the new ELT requirements. 121.500 MHz will not be the primary frequency. The 400 MHz will go to a satellite with GPS data. Lower power 121.500 will be available for ground teams to focus on the location.

Good of the Order

Butch requested additional help at Rainier Sunday (5<sup>th</sup>).

Adjourned: 1932

Respectfully submitted,  
Jeff (KJ6ETR)  
Secretary
